

Kelsey-Seybold's Main Campus at 2727 West Holcombe near the Texas Medical Center is one of 18 locations close to home and work (see other side).

KelseyCare

powered by CIGNA 

Product Overview:

- Fully-insured health benefits plan offering a “select provider network” on the CIGNA Healthcare benefits platform. The Kelsey-Seybold Clinic network includes more than 320 Kelsey-Seybold physicians at 18 locations throughout the region (see location map on the other side), and more than 1,800 affiliated physicians selected by Kelsey-Seybold physician leadership for quality care.
- Available to employers with a minimum of 50 employees working in the greater Houston area.
- Model based on the delivery of high quality, “evidence-based” medical care in which physicians in multiple specialties share information and coordinate care on behalf of patients.

Benefits:

- High enrollee satisfaction (Consumer Assessment of Healthcare Providers and Systems Survey)
- Higher quality health care delivered to enrollees (Hewitt Associates Health Value Initiative National Benchmarking Survey, Quality Outcomes, 2004, 2005, 2006)
- Proven ability to effectively manage the “entire cost of care” through a focused delivery model. According to Hewitt Associates, KelseyCare is the “most financially efficient HMO plan in the Houston marketplace.” (Hewitt Associates Health Value Initiative National Benchmarking Survey, 2004, 2005, 2006)
- Hewitt’s benchmarking study shows savings of 15-20% delivered by KelseyCare, as compared to market costs in the greater Houston region.
- Highly personalized, exclusive Concierge Service.
- Aligns with Consumer Directed Health Plans – Kelsey-Seybold physicians act as advisors to patients regarding medically necessary, evidence-based treatment options. Protects enrollees from uncontrolled utilization of health care resources.
- Highly-focused on prevention, intervention and local physician-directed disease management and case management.
